

Thank you for your interest in spending some time with Motionhouse. As I'm sure you will appreciate, we receive many requests for work placements and professional development placements and although we try and accommodate as many people as possible, due to the nature of being a busy touring company we cannot accept everybody.

We do not have funding available to support students looking to complete their work placement with Motionhouse so please be sure you're able to finance your own travel and accommodation if necessary.

In order for us to consider your request we would ask you to complete the attached form and then return it to us by either email or post.

We look forward to hearing from you.
