

Motionhouse PerfectEd

Motionhouse's 2005/06 critically acclaimed and award winning production *Perfect* is currently a set piece on the GCSE Dance Curriculum in England and Wales. PerfectEd is a unique programme of workshops and teaching resources created and delivered by Motionhouse to support the teaching of *Perfect* at GCSE level and beyond.

With heart-stopping physicality, low level flying and aerial work that suspends disbelief as well as bodies, *Perfect* sees five performers flying in the face of time, living large, in a time-poor world.
